PROFESSIONAL SUMMARY

Full Stack Developer specializing in Java, Spring Boot, and React.js, with hands-on experience in building backend systems and database-driven applications. Focused on developing scalable, reliable systems and efficient RESTful APIs with problem-solving skills..

SKILLS

- **Languages** Java, Python, Js, Html, Css
- **Backend** Spring Boot, Spring Security, Hibernate, Jpa, RestApis
- **Frontend** React.js, Bootstrap
- **Databases** MySQL, MongoDB, Redis
- **Tools & Tech.** Git, GitHub, Langchain

EDUCATION

Bachelor of Science in Computer Science

August 2023 – August 2027

BIET, Sikar (Affiliated to BTU, Bikaner)

- CGPA: 8.4/10.0(current)

PROJECTS

AI-Based Learning Platform

Spring Boot, React.js, MySQL, MongoDB, Redis, Microservices, FastAPI

- Built an AI-driven learning platform that provides structured and personalized skill development paths, helping students overcome the lack of a clear learning roadmap and become job-ready efficiently
- Designed the system to break down complex skills into step-by-step learning modules, enabling beginners to stay consistent and focused
- Improved learning efficiency by organizing resources into a clear roadmap, reducing confusion and time spent searching for relevant material

WORK EXPERIENCE

Software Engineering Intern

June 2025 – August 2025

Khichad Consultancy — Sikar, India

- Built a Task Tracker web application using Java, Spring Boot, Thymeleaf, and MySQL, enabling users to manage tasks with features like authentication,
- CRUD operations, and organized dashboards.
- Developed RESTful APIs and optimized database interactions for efficient data storage and retrieval. Emphasized clean architecture, scalability, and reliable backend performance

CERTIFICATESCERTIFICATIONS & ACHIEVEMENTS

Event Coordinator – College Hackathon

September 2025

- Led the organization of a college-level hackathon, managing event planning, team coordination

Project Development Competition

September 2025

- Achieved 2nd rank in a project-building competition, showcasing technical skills and effective solution development
